- Collaborate with cross-functional teams to ensure timely delivery of products to customers.
- Analyze data related to supply chain performance and provide insights for improvement.
- Help in maintaining accurate records of inventory levels and shipment schedules.
- Participate in projects aimed at enhancing supply chain efficiency and sustainability.
- Contribute to the preparation of reports and presentations for management.

Qualifications

- Currently pursuing or recently completed a degree in Supply Chain Management, Logistics, Business Administration, or a related field.
- Strong analytical and problem-solving skills.
- Excellent communication and interpersonal skills.
- Proficiency in Microsoft Office Suite (Excel, Word, PowerPoint).
- Ability to work independently and as part of a team.
- A proactive attitude with a willingness to learn and take on new challenges.

Job Benefits

- Hands-on experience in a reputable organization.
- Mentorship from industry professionals.
- Opportunity to work on real-world projects.
- Flexible work hours to accommodate academic commitments.
- Potential for future employment opportunities within Clover.
