OVK Retail: Grain Grader Learnerships 2026 | 2027 New Hiring

Description

The Grain Grader Learnership at OVK Retail is a structured program designed to equip participants with the expertise required in assessing, grading, and handling various grains. As a learner, you will work alongside experienced professionals in our grain processing facilities, learning about quality control, grading standards, and operational processes within the agricultural sector.

Responsibilities

- Engage in practical training sessions to understand the principles and techniques of grain grading.
- Learn to operate grading equipment and systems used in assessing the quality of different grains.
- Collaborate with industry experts to comprehend the nuances of grain storage, handling, and preservation.
- Conduct assessments and analyses to determine the quality characteristics of grains according to industry standards.
- Assist in maintaining accurate records and documentation related to grain grading processes.

Qualifications

- Minimum requirement: Matric certificate or equivalent qualification.
- A keen interest in agriculture, specifically in the grain industry.
- Strong attention to detail and the ability to follow guidelines and procedures meticulously.
- Excellent communication skills and the ability to work effectively within a team.
- Willingness to learn and a proactive approach toward acquiring new skills.

Job Benefits

- **Training and Development:** Comprehensive training in grain grading techniques and processes under the guidance of experienced professionals.
- **Hands-on Experience:** Practical exposure to state-of-the-art grading equipment and facilities within the agricultural industry.
- **Mentorship:** Guidance and mentorship from seasoned professionals, fostering skill development and career growth.
- **Stipend or Allowance:** Financial support in the form of a stipend or allowance to assist learners during their training period.
- **Career Advancement:** Potential opportunities for career progression within OVK Retail's agricultural divisions based on performance and successful completion of the learnership.
- **Networking Opportunities:** Interaction with industry experts and exposure to a network of professionals in the agricultural sector.
- **Certification:** Obtain a recognized certification upon successful completion of the learnership, enhancing employability in the field of grain grading.
